COMPETITION

FOR THE ENROLLMENT OF STUDENTS IN THE FIRST YEAR OF MASTER ACADEMIC STUDIES - STUDY PROGRAM: ADVANCED DATA ANALYTICS IN BUSINESS AT THE FACULTY OF ECONOMICS IN NIS FOR THE SCHOOL YEAR 2022/2023

The Faculty of Economics in Nis is enrolling **25 self-financing students** for a two-year master's academic studies in English - the study program: ADVANCED DATA ANALYTICS IN BUSINESS.

Tuition fee

In 2022/2023, the first year of study, students do not pay tuition. The tuition fee is covered by the funds of the ERASMUS+ project Advanced Data Analytics in Business. In 2023/2024, the second year of study, students pay tuition according to the Decision on the amount of fees for services provided by the Faculty of Economics in Nis to students of master's academic studies (the amount of tuition will be 2,000-2,500 €).

The following applicants can be enrolled in the master's academic studies - study program ADVANCED DATA ANALYTICS IN BUSINESS (120 ECTS):

- persons who completed accredited basic academic studies at the Faculty of Economics and achieved 240 ECTS points, as well as persons who completed basic studies at the Faculty of Economics according to the regulations that were valid before the Law on Higher Education entered into force,
- persons who completed accredited basic academic studies at non-economic faculties and achieved at least 180 ECTS or 240 ECTS points, provided that they pass the entrance exam,
- persons who have completed basic studies at non-economic faculties, according to the regulations that were valid until the Law on Higher Education entered into force, provided that they pass the entrance exam.

The English language competence is required for all applicants. The level of knowledge of English must be at least B2, according to the Common European Framework of Reference for Languages - CEFR, or a completed previous level of education in English.

A foreign citizen can enroll in the Study Program under the same conditions as a domestic student, provided that he/she submits a certified diploma of previously completed studies and health insurance.

More detailed criteria for ranking candidates and the list of subjects to be taken in the entrance exam can be found in Terms of enrollment to master's academic studies at the Faculty of Economics in Nis (available in the Office of Academic Affairs and on the Faculty's website: <http://www.eknfak.ni.ac.rs/src/Master-studije.php>).

Required documentation with the application:

- A certified copy of diploma/certificate of previously completed education,
- A scanned ID card (ID card with a chip) or a copy of ID card (ID card without a chip)/copy of passport,
- The English language certificate, level B2 or higher, issued by an authorized institution,
- An application form that can be purchased in the bookshop of the Faculty of Economics,
- The proof of fee payment for the application to the competition and the registration ranking (the amount of 2,000 dinars),
- Candidates who take the entrance exam pay a fee of 7,000.00 dinars (3,500 dinars per subject).

Competition deadlines

The registration for the Competition for Master's academic studies admission - study program **ADVANCED DATA ANALYTICS IN BUSINESS**, will take place in the period from **December 15th, 2022 until January 13th, 2023**. Students taking the entrance exam must submit documentation by **January 11th, 2023**.

The entrance exam will be held on **January 14th, 2023** at 10:00 a.m. The publication of a unique ranking list, the resolution of contestants' objections, the publication of the final ranking list, as well as the registration of the candidates who have gained the right to enroll in master's academic studies will take place in the period from **January 16th, 2023 until January 21st, 2023**. Any candidate who is ranked in the ranking list within the determined number for enrollment has a right to enroll.

More information about the enrollment period and the required documentation will be provided when the ranking list is published on the Faculty's website and notice boards.

All possible corrections of the competition will be published on the notice board at the Faculty and on the internet presentation of the Faculty and the University of Nis.
